

“For Peace, We Serve.” Four simple words that aptly encapsulate the United Nation Association of Singapore’s essence and mission since 1969. Fighting for world peace has proven to be an age-long endeavour that requires a multifaceted approach. That said, UNAS recognises that music is a simple yet effective vessel to spread peace around the world.

As the lyrics of the song “Why We Sing” by Greg Gilpin go: “Music builds a bridge, it can tear down a wall! Music is a language, that can speak to one and all!”. Music has the capacity to bring nations and people of all backgrounds together. This is exemplified by the conception of the UNAS Choir in 2019, comprising of youths from different countries namely Singapore, Vietnam, Indonesia, and the Philippines. United and driven by their shared passion for music, the UNAS Choir debuted in October 2019 during the UNAS’s 50th anniversary. The UNAS Choir’s mission is to ultimately become a sound of peace that brings harmony to the world.

Recently, the Choir has partnered with Mr. Anura Neysadurai and his Spectrum Audio Team who has generously lent his expertise and service to help advocate UNAS Choir’s vision of a world filled with peace, love, and harmony.
